Fort-

Wednesday Morn 3rd Dec. 35

Dear Rene Your letter just arrived
I am sorry you are ill — & those
horrid colds — take it seriously
I must post this immediately or it will
not reach you to-morrow —
Yes — it's quite time art took.
In some time she [illegible] art-proofs
& ends to be seen too.
But the revision is virtually finished.
I don't know if the Poets in Bank
will require much seeing to — (and I)
hope not. Sincerely.
Not cold nasty morning — must
post — still no news I presume
alas —
Love to you both
David
